

Root & Resin Beard Balm

Ingredient Transparency Sheet

Ingredient	Purpose
Kokum Butter	Deeply nourishing and stable, helps soften beard hair while supporting skin hydration without a greasy feel.
Mango Butter	Lightweight and nourishing, adds softness and smoothness without heaviness.
Beeswax	Provides natural hold to help shape and control the beard while sealing in moisture.
Jojoba Oil	Balances moisture by mimicking the skin's natural oils while conditioning beard and skin.
Hemp Seed Oil	Rich in essential fatty acids, supports healthy skin and helps reduce dryness and irritation.
Coco Caprylate	Lightweight, fast-absorbing emollient that improves glide and leaves a smooth, non-greasy finish.
Vitamin E	Antioxidant that helps protect skin and oils while supporting overall skin health.
Patchouli Essential Oil	Grounding and earthy, supports skin balance and contributes to the balm's rich scent.
Frankincense Essential Oil	Calming and skin-supportive, adds warmth and depth to the blend.
Rosemary Essential Oil	Refreshing and herbaceous, helps revitalize and promote a clean, fresh scent.

This blend is designed to condition, soften, and support a healthy beard while delivering light hold and a smooth, natural finish. Each batch is handcrafted and infused with intention to support daily self-care.
