

GeoHarmonics Ingredient Transparency Sheet

Sacred Ink Tattoo Conditioning Stick

INCI Name	Common Name	Skin Benefit
Cera Alba	Beeswax	Creates a protective barrier that helps lock in moisture, reduce dryness, and protect tattooed skin from environmental stressors.
Theobroma Cacao Seed Butter	Cocoa Butter	Rich in antioxidants and fatty acids that help nourish skin and support softness and elasticity.
Mangifera Indica Seed Butter	Mango Butter	Deeply moisturizing and conditioning; helps support a healthy skin barrier.
Garcinia Indica Seed Butter	Kokum Butter	Lightweight, non-greasy butter that helps soothe and soften dry or irritated skin.
Prunus Amygdalus Dulcis Oil	Sweet Almond Oil	Rich in vitamins A and E; helps condition, soften, and support skin hydration.
Simmondsia Chinensis Seed Oil	Joboba Oil	Helps balance moisture levels and supports healthy-looking skin.
Calendula Officinalis Flower Extract (in Oil)	Calendula-Infused Oil	Traditionally used to soothe and comfort skin while supporting the skin's natural recovery process.
Calophyllum Inophyllum Seed Oil	Tamanu Oil	Known for its restorative and skin-conditioning properties; helps support healthy-looking skin.
Rosa Canina Fruit Oil	Rosehip Oil	Rich in essential fatty acids and antioxidants that help improve the appearance of scars and uneven skin texture.
Tocopherol	Vitamin E	Antioxidant that helps protect oils from oxidation while supporting overall skin health.
